### Cutting

From fabric 1 trim the panels to four 18.1/2" squares

From fabric 2 cut forty eight rectangles 1.1/4" by 3.1/2"

From fabric 3 cut forty eight rectangles 1.1/4" by 3.1/2"

From fabric 4 cut forty eight rectangles 1.1/4" by 3.1/2"

From fabric 5 cut forty eight rectangles 1.1/4" by 3.1/2"

From fabric 6 cut 3.1/2" wide strips: two at 23.1/2", two at 77.1/2"

For the backing cut two 33" length of fabric 3 across the width of fabric 3 and sew the short sides together to create one piece 33" by 88".

For the binding cut seven 2.1/2" lengths of fabric 4 across the width of fabric.

All measurements include 1/4" seam allowances.

### **Sewing**

Sew together one rectangle each from fabrics 2, 3, 4 and 5 to make a 4.1/2" square.

Make sixty four of these quilt blocks.

Sew the blocks together in two strips of twenty six blocks and two strips of six blocks. Alternate the blocks across these strips so that in one block the stripes are horizontal while in the next block they are vertical.

Begin and end the two smaller strips with vertical stripes.  
Begin and end the two longer strips with horizontal stripes.

### **Assembling the Highland quilt**

Sew the two shorter lengths to the top and bottom of the quilt panel. Sew the two longer lengths to the sides.

Sew the two 77.1/2" lengths of fabric 6 to the top and bottom of the quilt.

Sew the two 23.1/2" lengths of fabric 6 to the sides of the quilt.

For the backing fabric you will need 33" by 88" rectangle of both backing fabric and wadding.

For the binding, sew the seven strips of fabric 4 together to give one very long strip to make the binding with.
