Sewing

Make half square triangle units using the 3.7/8" squares in fabric 2 with fabric 6, fabrics 4 and 5 and fabrics 5 and 6. Place two squares with right sides together and mark a line along the diagonal. Sew a 1/4" seam either side of the marked line. Cut along the line to produce two half square triangle units from each pair of squares.

Use four squares each of fabrics 2 and white together.

Use four squares each of fabrics 4 and 5 together.

Use four squares each of fabrics 5 and white together.

Place one 3.1/2" white square in opposite corners of 6.1/2" square of fabric 1, draw a line along the diagonal. Sew on the marked, trim a 1/4" from the seam and

press then repeat on the other two remaining corners.

Lay the patchwork pieces out as shown.

Sew the pieces together across each row and sew the rows to each other to complete the block. Make three of these. Sew them together in one row of three.

Finishing the Festive Friends Quilt

For the border sew the two 23.1/2" lengths of fabric 3 to the sides of the quilt and sew the two 58.1/2" strips to the top and bottom.

For the backing fabric you will need 62" x 27" of both backing fabric 1 and wadding.

For the binding, sew the four strips of fabric 2 together to give one very long strip.
